

AirBerth[®]
BOAT LIFTS

THE *PROVEN* CHOICE

FISHING

OFFSHORE MONO + OFFSHORE CAT

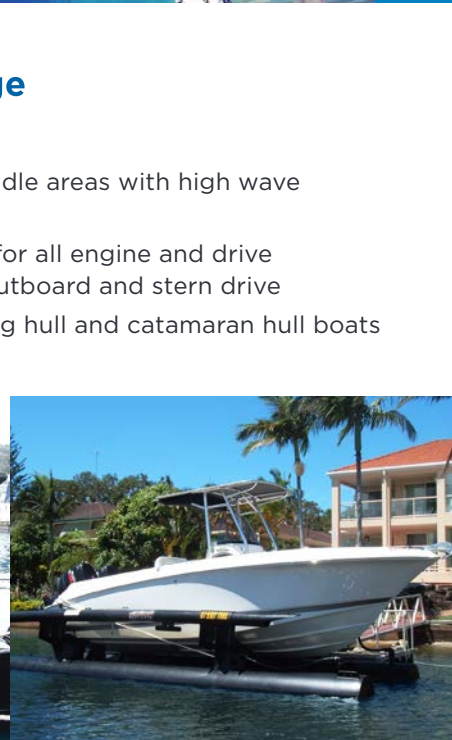

Spend more time *fishing*
and less on maintenance

The *proven* way to keep your boat out of the water so you can enjoy a trouble free fishing lifestyle.

How does AirBerth enhance your fishing lifestyle?

- Spend more time boating and less on maintenance
- Preserves the value of your boat by minimising osmosis and electrolysis
- Improves performance with no anti-foul paint
- Quickly launch and raise your boat for quick access and berthing
- Access to flush your motors after use
- Spray jets for hull rinse to remove salt water

AirBerth is the ultimate vessel protection!

The AirBerth Advantage

- HDPE Material is non-marking
- High reserve buoyancy can handle areas with high wave action and traffic
- AirBerth specialise in catering for all engine and drive type configurations: inboard, outboard and stern drive
- Suitable for both mono planning hull and catamaran hull boats
